SERVICE PAGES

### 9 Service Landing Pages

9

Exotic Car Rental · Chauffeur · Private Jets · Yacht Charter · Luxury Villas · Car Sales · Fine Watches · Designer Bags · Luxury Travel. Each with full SEO metadata, JSON-LD schema, and internal linking.

CITY PAGES

### 64 City Landing Pages

64

42 LA County + 22 Orange County cities. Dynamic route with `generateStaticParams`. Each page: landmarks, FAQ, nearby city links, all service cross-links. Covers every major affluent city in SoCal.

TECHNICAL SEO

### Full Technical Stack

Sitemap (75 URLs) · robots.txt · LocalBusiness + Service + FAQ JSON-LD schema · Open Graph metadata · Google Search Console verified · Sitemap submitted and indexing.

GOOGLE PRESENCE

### Google Business Profile

Verified ✓ · Car Rental Agency (primary) + Concierge Service (secondary) · 9 services with SEO descriptions · 9 product listings with photos · Logo + cover photo · 24/7 hours.

● **90 pages live on usenexassist.com** — Search Console verified, sitemap submitted, Google Business Profile fully optimized. Indexing in progress.

# Unlock Local Rankings

## CRITICAL — DO THIS WEEK

**Get a Phone Number**
Google ranks businesses with phone numbers higher. Google Voice is free — takes 5 minutes to set up. This is the #1 ranking factor missing.

**First 10–20 Google Reviews**
Every top competitor has 100–1,000 reviews. Even 10 five-star reviews will move NexAssist into the Maps Pack. Ask personally — conversion is high.

**Set Up partners@usenexassist.com**
Partner deck is ready to send. The email is referenced in the PDF — needs to be live before outreach begins.

## IMPORTANT — THIS MONTH

**Send Partner Deck to 20–30 Companies**
Exotic car companies, chauffeur services, yacht brokers. Use the PDF deck. Goal: 5 signed partners in 30 days.

**Post Instagram Review Cards Daily**
12 cards are ready. Post 1 per day. Consistent posting signals algorithm activity and builds social proof for new visitors.

**Upload Additional GBP Photos**
Lamborghini Huracán, Porsche GT3, Lamborghini Urus. More photos = better GBP completeness score.

**Get Backlinks**
Post in luxury Facebook groups, LA subreddits, Instagram bio link. Every quality backlink boosts domain authority.

*"The SEO foundation is built. Reviews and a phone number are the only two things standing between NexAssist and the Google Maps Pack."*

APRIL 2026 — 4 TO 6 WEEKS
