Not just leads. Buyers.

NexAssist clients don't browse — they request. When a client submits a request through our platform, they are ready to transact. As a partner, you receive that intent directly, with full context on what they need, when they need it, and their budget.

Phase 2 — Success Fee (Launching Q3 2026)

Once volume is established, a **5% success fee** will be added on verified closed bookings above $5,000. Partners on the Elite tier receive a reduced rate of **3%**. Early partners who join during the free launch phase are locked in at 0% success fee for their first 12 months.

THE PLAN

From launch to revenue.

A phased approach — build the supply side first, demonstrate value, then monetize. This protects partner relationships and ensures NexAssist delivers real ROI before charging.

01

PHASE 1 · NOW — MONTH 3

Free Partner Onboarding

Onboard the first 10–20 partners completely free. No subscription, no fees. Focus on filling all 9 service categories in LA. Partners get listed, receive all incoming leads, and experience the platform at zero cost. Goal: build trust and prove the lead quality before asking for a dollar.

TARGET: 15 PARTNERS · $0 MRR

02

PHASE 2 · MONTH 3 — MONTH 6

Soft Launch Pricing

Once real leads are flowing (minimum 20–30 client requests/month), approach existing free partners with a founder rate. Offer a permanent discount of 30–40% off standard pricing as a thank-you for being early. New partners onboard at full price. This creates urgency and rewards loyalty.

TARGET: 20 PARTNERS · $4K–$8K MRR

03

PHASE 3 · MONTH 6 — MONTH 12

Full Monetization

Standard pricing active for all new partners. Expand beyond LA — Orange County, Las Vegas, Miami, New York. Introduce the 5% success fee for Pro and Elite tiers. Begin co-branded marketing with top partners (featured in NexAssist campaigns and social media). Launch partner dashboard with analytics.

TARGET: 50 PARTNERS · $20K–$40K MRR

04

PHASE 4 · YEAR 2+

Scale & Enterprise

Introduce enterprise/custom plans for national providers (private jet operators, luxury hotel chains, concierge travel agencies). Add white-label options. Build API for direct integration into partner booking systems. Explore international expansion — Dubai, London, Marbella.

TARGET: 200+ PARTNERS · $100K+ MRR
